

ENERCMED · FINAL CONFERENCE · 4 JUNE 2026

# Energy Transition & Nature-Based Solutions in Mediterranean Cities

Where Mediterranean cities come to shape their energy future.

DATE  
Thursday 4 June 2026

TIME  
14:30 – 18:00

VENUE  
Festival Blue · Genova Blue District  
Via del Molo 65, 16128 Genova

Free admission · Open to all

EnerCmed is a €3M Interreg Euro-MED project built around a clear ambition: turning the Mediterranean green transition into practical models that cities can use. With 9 partners across 5 countries, 5 pilot cities and 16 follower cities, the project connects renewable energy, nature-based solutions, public buildings, community action and urban resilience.
