The Institutional Dialogue Project & Institutional Policy Dialogue Process

The governance project from the Interreg Euro-MED Programme is related to Green Living Areas' themes and focuses on policy

Coordination of 25 Thematic Projects

Duration: 2023-2029

- **Process**

A loop process of exchanges on policy instruments to adapt, replicate and transfer relevant ones;

Objectives:

- Promote policy-oriented results and answer the needs of the Thematic Projects,

- Engage policy-oriented partners and associated partners of the Thematic Projects,

- Develop a Core Group of key Euro-Mediterranean stakeholders, playing the role of advisors.

Benefits:

The exchanges on policy instruments benefit Thematic Projects, the policy-oriented partners and associated partners of Thematic Projects, and the members of the Core Group, both as takers and givers.
