Which of the following slows you down the most when starting or scaling a REC/NBS?

- Incomplete national implementation and practical enforcement challenges (19%)
- DSO processes (timelines, technical rules) (24%)
- Local permitting complexity (42%)
- Upfront capital or funding gaps (10%)
- Monitoring/reporting tools not in place (0%)
- Other / not sure (5%)

How ready is your organisation/institution/community to plan its next REC using basic digital tools (maps, demand data, simple scenarios)?

Scale: 1 "Not ready" · 2 · 3 · 4 · 5 "Fully ready"

From the following supports, select only those that are most useful for launching your next REC
